For Credit and Non Credit

Inclass & distance delivery

Distance to Employment?

Distance to Entrepreneurship?

Financial Skills Pyramid

Where are your Participants?

WHY ARE WE SO DIFFERENT?

Solve a problem

Measure impact

Scalable across the country?

WHY WE ACHIEVE HIGH OUTCOMES

**Barriers to Education are
addressed ensuring success of all
students**

**Financial Skills that
are relevant to students
and create impact in their lives**

**Students Execute on Decisions
right down to payment**

**We show students
what real Financial Success looks like**

Financial Skills: Sample from one program

- **Proper banking
(& avoid Pay Day loans)**
- **Inconsistent Income
(How to manage it)**
- **Financial success is not
the acquisition of stuff**
- **Think critically, problem
solve**

Low Interest Rate Environment:

Blurs what people can **Pay** for
Vs. **Afford**

&

Extends the length of time that
it takes people to assess their
own financial decisions

Engage with us to build **capacity** within
people and communities
